

## Dynamic Running Cairns Marathon, 13 July 2014

Congratulations to all the competitors in the Cairns Marathon held on 13 July 2014. Dynamic Running, the event organisers of the event, did a spectacular job, especially if you consider they only launched the new running club on the 24<sup>th</sup> of May this year. The success of the event is thanks to the efforts of the volunteers, many who helped out for hours to support the runners as they passed through various checkpoints on their way from Cedar Park Rainforest Estate to the top of the hill above Whitfield.

The field consisted mainly of Cairns residents with English student, David Findura from the Czech Republic crossing the finish line in 3 hours 57 seconds. Less than a minute before defending champion, Steve Cunningham. A few competitors ran their first marathon on the day, including female winner, Sue Houlihan and Carolina Merino, originally from Chile. Others, like Neil Harrison and Nami Matsuoka came along to test their legs after participating in the Cairns Ironman at the start of June.

Set the date in your diary now, and start training for the next Cairns Marathon, which is to be held on Sunday, 12 July 2015.
