

GRAND SLAM 3M3D, MARATHON 2

Elevation Gain 1,391 m

Distance into race (km)	Course marker	Waypoint on AllTrails map	Location
0		30	Start at Copperlode Dam.
2.3	17	35	Run out (1.2km) and back (1.1km) on Lake Morris Road to the turnaround sign. Don't return to the kiosk, instead (when you get back to the dam), head down to the dam wall and up the hill on the other side.
6.6	15	40	Gate to the left. Do NOT turn off Clohesy River Road here. The road to your left is Bridle Creek Road. Continue 6.7km along Clohesy River Road to the Fig Tree.
13.6	14	28	At the Fig Tree Checkpoint turn left and run the 400m loop of the Fig Tree boardwalk , turn left back onto Clohesy River Road.
15.8	18	37	Turn left off Clohesy River Road and head into the Vivier's Track. After about 500m you will cross one of the deepest sections of Clohesy River. After about 7km you will reach another shallow creek – the Bridle Creek checkpoint is not far from here.
21.9	19	38	Bridle Creek checkpoint
	20	39	From the checkpoint you will be directed to the right to run 3km out-and-back along Bridle Creek Road. The turnaround is on the causeway (if you reach Davis Creek Road, you've gone a few 100 metres too far).
28.0	19	38	When you arrive back at Bridle Creek checkpoint, continue along Bridle Creek Road to a locked gate.
30.0			There is no vehicle access or tap water for the next 8km. You will climb over a few gates along the way, and there are endless steep ascents and descents along this section.
37.9	15	40	At the Bridle Creek Road / Clohesy River Road gate (water in a barrel available here), turn right and head back to the dam.
42.2		30	Finish at the kiosk at Copperlode Dam.
